

**PATENT**  
**Attorney Docket No. LF-20888**

**Amendment B - Page 9**

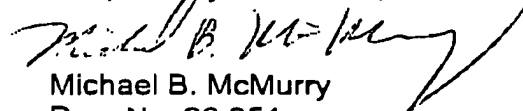

**REMARKS**

The above amendments to the claims have been made in response to a telephone interview with the Examiner on this date, June 14, 2004. It is believed based on the comments of the Examiner during the interview that the claims as amended herein are allowable. It should be understood, however, that the amendments to the claims have been made only to obtain immediate allowance of the application so that a patent will issue at the earliest date and that objections to the claims in their original form voiced by the Examiner during the interview are traversed.

It is believed that no fee is due for this paper. However, if an additional fee is due please charge Deposit Account No. 13-2495 for any such fees incurred herein.

Therefore, it is respectfully requested that the amendment to the claims be entered and that this application issue to Letters Patent.

Respectfully Submitted,
